A SPECIAL WELCOME TO OUR NEW OPERA & OPERA II CLIENTS

From the 1 May, Computerwise took over the Support and Annual Maintenance contracts of numerous Opera and Opera II clients from another re-seller. This further consolidates our Group's position as being one of the principal Pegasus dealerships in the Country.

We would like to take this opportunity to welcome all of our new clients, and look forward to establishing a long, friendly and efficient relationship with each of you.

If you have any Pegasus support issues or queries please contact Felix, Jeff or John on the Support Department number shown in the blue margin to the right ~ we will be pleased to assist you.

For sales generally, or other similar issues, Avril or Bill will be pleased to talk to you on 01206 711 451.

HMRC ~ WHAT TO DO IF YOU NEED TO SEND A PENNOT

We are advised that HMRC are now able to receive PENNOTs on-line again.

PEGASUS PARTNER EXCELLENCE AWARDS 2008

Earlier this month, Pegasus Software wrote to each customer to invite them to vote in the 2008 Partner Awards.

We hope that you find our service and responsiveness is of a high standard and our knowledge-base extensive. If that is the case, may we prompt you to vote for us by completing an on-line form ~ it will only take a few moments! The closing date is **30 May 2008**.

You will need your Licence Number for your entry to be accepted, so please have this to hand. Click ([here](#)) to enter or go to www.pegasus.co.uk/nominate. By completing the additional survey you could also win yourself £100.00.

OPERA V3.61.00 RELEASED

A new version of Opera 16 has been release. This is a maintenance release containing a number of fixes, but additionally the demo data has been updated to reflect the changes in the March 2008 budget.

As is our normal custom, we will assess the software to ensure it is a stable product and, if so, we will be updating all Opera 16 sites to this latest version. We will keep you advised of progress in this respect.

Computerwise Limited is part of a much larger group with offices in Bromley, Colchester, Portsmouth, and Wimbledon.

This structure provides you with the stability and expertise that a large company can offer whilst coupling it with the care and responsiveness exercised by a smaller concern.

PAYROLL 2007 ~ 2008

By now you should have applied the May budget changes (by amending the tax rates in Opera and Opera II, or upgrading the version if you use Capital Payroll or Intex Earnie).

Also, you should have completed your payroll end-of-year submission (19 May deadline).

If you used the Government Gateway (On-line Filing Manager) to submit the P14s and P35, do not forget to claim your tax free allowance if applicable ~ payable to all small employers (those with less than 50 employees) which for 2007/8 is £100.00. To claim this benefit, you simply need to reduce this sum from the May remittance to HMRC.

PAYE ~ CHANGE TO PERSONAL ALLOWANCE

The Chancellor has announced an increase in the personal allowance of £600 and an adjustment to the higher rate threshold (the total of the personal allowance and basic rate limit).

You do not need to make any adjustments to your code numbers at the moment and you should continue to use the allowances and guidance published in May 2008. The emergency code for employees joining you without a code number remains 543L.

We will be issuing details in the next few weeks of how and when this change should be made and what it will mean for your payroll.

PEGASUS SEMINAR

Over the past few years we have run a number of very successful seminars. We plan to continue this practice and, where practicable making them free to all attendees.

Currently we are engaged in planning an early summer seminar that will cover all the new modules released by Pegasus Opera, together with the finer points of some others.

The venue and date are yet to be confirmed, but should be late June or early July, and held in the Colchester/Ipswich vicinity.

PEGASUS II V6.11.20 RELEASE

The latest release of Opera II (v6.11.20) appears to be a stable product and, now that the Payroll Upgrades have been completed we will be looking to distribute this to our non-payroll Opera II customers.

During the next few weeks we will be either distributing the release by post (for those customers holding scheme 1 or 2 cover) or contacting you to arrange a mutually convenient site visit (for customers with scheme 3 or 4 cover)

As well as being a service release, this version contains a number of enhancements, and postal customers should ensure they upgrade to v6.11.20 at the earliest opportunity.

STOP IT!

We hope that you find our e-mailed information sheets of direct help to you and your business. However, if you wish to remove your name from the mailing list or make changes regarding recipients, please contact John Stannard, in the Support Department.
