OPERA II: UPGRADE TO V6.50.01

We have contacted all Opera II (non-payroll) sites that have not had an update this year (and where we undertake the upgrades on your behalf). Accordingly, visits have been arranged to carry out the required work.

If you have not been contacted and are included in the above support group, please let us know so that the necessary action can be taken.

HMRC: ONLINE PAYE CHANGES FOR LARGE EMPLOYERS

From 6 April 2009, large employers (those with 50 or more employees) must send the following in-year PAYE information online:

- * Form P45(1) - details of employee leaving;
- * Form P45(3) - new employee details;
- * Form P46 - employee without a form P45; and
- * Similar information for people receiving a pension.

To file online, you must first register with HMRC's Online PAYE service - go to <http://www.hmrc.gov.uk> and click on 'PAYE for Employers' under the 'do it online' menu.

Once registered, you can use the Pegasus On-line facility to send your details to HMRC. Although there is a deadline for large employers, it is well worth all payroll users availing themselves of this service as soon as possible. If you are still using Opera 16 the Pegasus On-line facility will not be available to you, and you will need to consider an upgrade to Opera II.

PAYROLL 2009 ~ UPDATE

As is normal practice there will be two phases to this project. Phase 1 will cover the legislative changes required to complete the 2008/9 tax year, including P14/P60 end of year return, whilst Phase 2 will cover the Budget changes due to be implemented in May 2009.

We have already commenced on the initial planning for the payroll upgrades and end-of-year processing.

The product release version numbers advised to us by Pegasus Software are:

- Opera II (6.60.00)
- Opera for Windows (3.70.00)
- Capital Gold Payroll (3.80.00)
- Online Filing Manager (2.70.00)

There are a number of sizeable statutory changes incorporated in the Upgrades. These include:

- A new National Insurance threshold, referred to as the Upper Accrual Point, and changes to P45 forms and the appropriate P45 Reporting areas of the software.
- A new P46 (Pen) Return form in Opera II and Capital Gold Payroll replaces the existing P160 form and PENNOT online submission.
- There is also P46 (Expat) Return processing, and
- The introduction of automated Statutory Adoption Pay (SAP) and Statutory Paternity Pay for Adoption (SPP – Adopt) for Opera II.

For fuller details of the statutory changes incorporated within the Pegasus systems please click ([here](#)).
